

GolfGreens
by ForeverLawn®

True Putt series

the premier nylon turf for precise, consistent putting

Why True Putt?

GolfGreens® by ForeverLawn® offers premium, fully customizable synthetic green solutions for golfers of all abilities. Our True Putt line combines durability, realism, and consistent performance to mimic natural, professional courses. Textured nylon surfaces and embossed rubber backing create fast green speeds and improved stability. Requiring minimal maintenance and featuring three unique colorations, the True Putt series offers ultimate all-weather putting greens that are perfect for precision practice.

realistic colors

varied colorations that mimic professional courses

consistent roll

uniform surfaces provide precision performance

minimal maintenance

lower amounts of required infill allow for reduced maintenance and extended longevity

customizable

fully tailored unique designs for targeting specific skills

action-backed

embossed rubber backing for responsive stability and realism
